

# BENCHMARK ACHIEVE® - SPORT

A COMPLETE PREMIUM MUESLI STYLE RATION FOR HORSES AND PONIES IN MEDIUM TO HARD WORK.

## WHY BENCHMARK ACHIEVE® - SPORT?

When we created **Achieve® - Sport** our goal was to produce a premium feed that the rider could depend on to deliver optimal performance in all aspects, while holding true to our mantra of keeping feeds as natural as possible.

The result is a feed that we are very proud of- and one you can trust to deliver results in terms of energy delivery, recovery, muscle mass and importantly consistent focus and behaviour. The inclusion of soy and lupin hulls not only enhances energy production via fermentation, but it also reduces the starch and sugar content of the feed, resulting in smooth sustained energy

## Ingredients

Soy and lupin hulls, canola meal, lupin meal, micronised barley, micronised corn, mill run, limestone, di-calciumphosphate, magnesium oxide, salt, cold pressed canola oil, Benchmark's vitamin, mineral and amino acid premix, Molafos Gold®, Agrimos prebiotic® and Yea-Sacc® probiotic.
